Redux ToolKit

PROFESSIONAL EXPERIENCE

Lala Group Of Companies

July 2023 - Present

ReactJs Developer

At Lala Group of Companies, I developed and maintained web applications using React.js, focusing on responsive design and optimal performance. I collaborated with cross-functional teams to create scalable code, integrated third-party APIs for enhanced functionality, and ensured code quality through thorough testing and debugging.

MSK Software House

Jan 2022 - Aug 2023

Front End Developer

I have significantly contributed to the software industry as a web developer and educator. At MSK Software House, I honed my skills by working on diverse projects and leveraging React.js to deliver high-quality solutions. I developed and deployed web applications using cutting-edge technologies and industry best practices. Additionally, I mentored students in web development concepts and created comprehensive learning materials to facilitate hands-on learning

Freelancing

July 2020 - Present

Web Developer

As a freelance web developer, I have completed various projects using HTML, CSS, and React.js, delivering responsive web applications and maintaining high code quality through client collaboration and rigorous testing
